### Introduction

Two days ago we reported that Tucker Carlson is in Moscow and we expect him to conduct an interview with President Putin "[Tucker Carlson in Moscow - Interview with Putin?](#)"

**"The Western media will be fuming."**

---

In our article, we also showed how neo-cons in the US were fuming and even calling for Tucker to be [banned from re-entering the US](#).

In his short feature, Tucker Carlson explains why he will be interviewing President Putin.

The Western media will be fuming. Their entire mendacious narrative will collapse.

We are curious to see whether and to what extent the leading media in the West will report. So far, the NZZ has remained silent - we are not surprised.

We have added German subtitles to Tucker's announcement for our readers.

Enjoy!
